"An Abridged Version of *The Norman Beehive*"

VOLUME II

FEBRUARY 2009

NUMBER 1

## MASONIC UPDATE

Greetings friends and brothers,

Welcome all to the new year! We have many exciting things planned for the Lodge. This year celebrates the centennial of Grand Lodge of Oklahoma and Norman Lodge will be celebrating that centennial as well. We are also changing up *The Norman Beehive* a little as explained in the *Editor's Note* below. Basically, the full edition of the newsletter will now be issued periodically with the next issue planned for around March. During the other months, we will issue a smaller newsletter with a calendar for the next three months, an article from myself or another officer, and other items of interest.

The biggest event we are planning for this quarter is an Open House and Friends and Family Dinner on March 30th. We are throwing open the doors of the Lodge for the whole community and giving anyone a chance to visit the Lodge and see what we, the Ladies and the Youth Groups, do. Exact details of the program and events are still being planned. I welcome any thoughts or ideas you might have for the Open House. In conjunction with the centennial, Norman Lodge will be issuing a commemorative coin. The design and price are currently being negotiated, but it should be available by the Open House.

I urge all members to come to Lodge meetings. We would especially like to see members who have not been to a lodge meeting in months or years to come back to your Blue Lodge and celebrate the year with us. See you in Lodge!

Fraternally,  
Raymond Stone,  
*Worshipful Master*

### *Editor's Note*

In the spirit of maintaining a quality newsletter while at the same time keeping our members informed of upcoming activities, Norman Lodge has decided to introduce an abridged version of *The Norman Beehive* entitled *The Norman Buzz*. *The Norman Buzz* will be published monthly and will contain a brief update of current events including The Temple Trestleboard, our three month calendar. *The Norman Beehive* will continue to host articles on interesting, thought provoking and practical Masonic topics but will be published on a more quarterly cycle. We hope this modification improves our lodge communications. As always, these publications are for the entire Norman Masonic Community and as such, submissions from our members and all Masonic Orders are always encouraged. Help us keep the torch of Masonic Light burning bright in 2009!
